

CCJS DEPARTMENT SENIOR SEMINAR APPLICATION

INSTRUCTIONS: This Senior Seminar application must be completed the semester *before* you take CCJS 490 (Senior Seminar). The application serves two purposes: (1) to engage you in review of your ARR with a **CCJS faculty advisor**; (2) to allow the CCJS faculty advisor to assess whether you have met the requirements to enroll in CCJS 490 and for graduation. Please be thoughtful in your preparation of this application. This is not a substitute for applying to graduate: **You are still required to apply to graduate through your SSU student portal. You must make an appointment with a CCJS advisor to review this application in order to be enrolled in Senior Seminar.** Do not send this application to an advisor without having signed up for an [advising appointment](#).

STUDENT'S FULL NAME:				
STUDENT ID#:		Proposed semester/year of graduation:
